EDUCATION

Bachelor of Science - Human Systems Engineering (UX) *Expected Graduation, May 2027*

Arizona State University, Ira A. Fulton Schools of Engineering GPA - 4.26

WORK EXPERIENCE

IT Support / Receptionist / AR & AP Clerk *February 2024 to Present*

Precision Air and Plumbing - Chandler, AZ

- Serve as first-line IT help desk support, troubleshooting hardware, software, account access, and connectivity issues in person and by phone; resolve issues in-house and escalate to the outside IT provider when needed, explaining problems clearly to technical and non-technical staff
- Created and maintain SOPs and training materials, including the customer review response workflow and a safety training sign-in process
- Provide front-line customer service to staff, vendors, and visitors (front desk, phones, mail, packages) while managing multiple priorities across IT, AR/AP, and reception
- Process vendor bills in QuickBooks and ServiceTitan; conduct daily A/R reviews, invoice auditing, and banking reconciliations across credit card, check, and Service Finance transactions
- Process warranty purchases, open claims, vendor credits, and refunds in ServiceTitan; monitor and respond to customer reviews across Google, Yelp, Facebook, BBB, and Podium

Assistant Manager - Guest and Member Services *October 2021 to February 2024*

Arizona Center for Nature Conservation - Phoenix, AZ

- Progressed from front-line Ambassador to Assistant Manager across admissions, memberships, retail, rentals, and seasonal experiences
- Supervised, coached, and evaluated 100+ employees; led hiring, onboarding, and created and executed ongoing training and development programs
- Collaborated with management to develop staffing plans and schedules for a cross-trained labor pool supporting fluctuating seasonal business needs
- De-escalated and resolved guest and member complaints in person, via email, and by phone; conducted front-line decision-making in a fast-paced environment
- Collaborated cross-departmentally to deliver exceptional guest experiences; troubleshot technology and operational issues in real time
- Supported membership and marketing initiatives through sales, promotions, and special events; assisted with daily tracking of attendance, revenue, and expenses
- Operated Galaxy POS, Salesforce, and When-To-Work; processed cash, credit, memberships, and special event transactions
